Save the last Dance for me

```
C
You can dance every dance with the guy who gives you the eye
        G7
Let him hold you tight

You can smile every smile for the man who held your hand
            C
'Neath the pale moonlight

    G7    C7  F
But don't forget who's taking you home
                          C
And in whose arms you're gonna be
   G7                              C
So darling, save the last dance for me

C
Oh I know that the music is fine like sparkling wine
       G7
Go and have your fun

Laugh and sing but while we're apart
                        C
Don't give your heart to anyone

    G7    C7  F
But don't forget who's taking you home
                          C
And in whose arms you're gonna be
   G7                              C
So darling, save the last dance for me

N.C,                    G7
Baby don't you know I love you so
                          C
Can't you feel it when we touch
N.C.            G
I will never never let you go
                      C
Cause I love you oh so much

C
You can dance, go and carry on
                              G7
Till the night is gone and it's time to go

If he asks if you're all alone can he take you home
        C
You must tell him no

    G7    C7  F
But don't forget who's taking you home
                        C
And in whose arms you're gonna be

  G                              C
So darling, save the last dance for me 2x
