G D Am G  
We'll do it all, everything, on our own.  
G D Am G  
We don't need anything, or anyone.

G D  
If I lay here, if I just lay here  
Am G  
Would you lie with me, and just forget the world.

G D Am G  
I don't quite know how to say how I feel  
G D Am G  
Those three words, I said too much, but not enough.

G D  
If I lay here, if I just lay here  
Am G  
Would you lie with me, and just forget the world.  
G D  
Forget what we're told, before we get too old  
Am G  
Show me a garden that's bursting into life.

G D Am G  
Let's waste time, chasing cars, around our heads.  
G D Am G  
I need your grace to remind me, to find my own.

G D  
If I lay here, if I just lay here  
Am G  
Would you lie with me, and just forget the world.  
G D  
Forget what we're told, before we get too old  
Am G  
Show me a garden that's bursting into life.

G D  
All that I am, all that I ever was  
Am G  
Is here in your perfect eyes, they're all I can see  
G D  
I don't know where, confused about how as well  
Am G  
just know that these things will never change for us at all.

G D  
If I lay here, if I just lay here  
Am G  
Would you lie with me, and just forget the world.
