[Verse 1]

Dm          C                  Dm          C          Dm C Dm C  
Now and then I think of when we were together  
Dm                  C                  Dm          C          Dm C Dm C  
Like when you said you felt so happy you could die  
Dm          C                  Dm          C  
Told myself that you were right for me  
Dm                  C                  Dm          C  
But felt so lonely in your company  
Dm                  C                  Dm          C          Dm C Dm C

But that was love and it's an ache I still remember

[Verse]

Dm                  C                  Dm          C          Dm C Dm C  
You can get addicted to a certain kind of sadness  
Dm                  C                  Dm  
Like resignation to the end  
C                  Dm          C          Dm          C  
Always the end  
Dm                  C                  Dm          C  
So when we found that we could not make sense  
Dm                  C                  Dm          C  
Well you said that we would still be friends  
Dm                  C                  Dm          C          Dm C Dm C  
But I'll admit that I was glad that it was over

[Chorus]

Dm          C                  Bb          C  
But you didn't have to cut me off  
Dm          C                  Bb  
Make out like it never happened  
                  C                  Dm  
And that we were nothing  
          C                  Bb          C

And I don't even need your love  
Dm C  
But you treat me like a stranger  
Bb C  
And that feels so rough

Dm C Bb C  
You didn't have to stoop so low  
Dm C Bb  
Have your friends collect your records  
C Dm  
And then change your number  
C Bb C  
I guess that I don't need that though  
Dm C Bb C  
Now you're just somebody that I used to know

[Interlude]

Dm C Bb C

Dm C Bb C  
Now you're just somebody that I used to know  
Dm C Bb C  
Dm C Bb C  
Now you're just somebody that I used to know

[Instrumental]

Dm C Dm C

[Verse 2]

Dm C Dm C  
Now and then I think of all the times you screwed me over  
Dm C Dm C  
But had me believing it was always something that I'd done  
C  
And I don't wanna live that way  
C  
Reading into every word you say  
C  
You said that you could let it go  
C N.C.  
And I wouldn't catch you hung up on somebody that you used to know

[Chorus]

Dm C Bb C  
But you didn't have to cut me off  
Dm C Bb  
Make out like it never happened  
C Dm  
And that we were nothing  
C Bb C  
And I don't even need your love  
Dm C  
But you treat me like a stranger  
Bb C

And that feels so rough

Dm C Bb C  
You didn't have to stoop so low  
Dm C Bb  
Have your friends collect your records  
C Dm  
And then change your number  
C Bb C  
I guess that I don't need that though  
Dm C Bb C  
Now you're just somebody that I used to know

[Outro]

Dm C Bb C  
Somebody... I used to know  
Dm C Bb C  
Somebody... That I used to know  
Dm C Bb C  
Somebody... I used to know  
Dm C Bb C  
Somebody... (Now you're just somebody that I used to know)  
Dm C Bb C  
I used to know  
Dm C Bb C  
That I used to know  
Dm C Bb C  
I used to know  
Dm C Bb C  
Somebody...
